

# HANAHAN HIGH SCHOOL

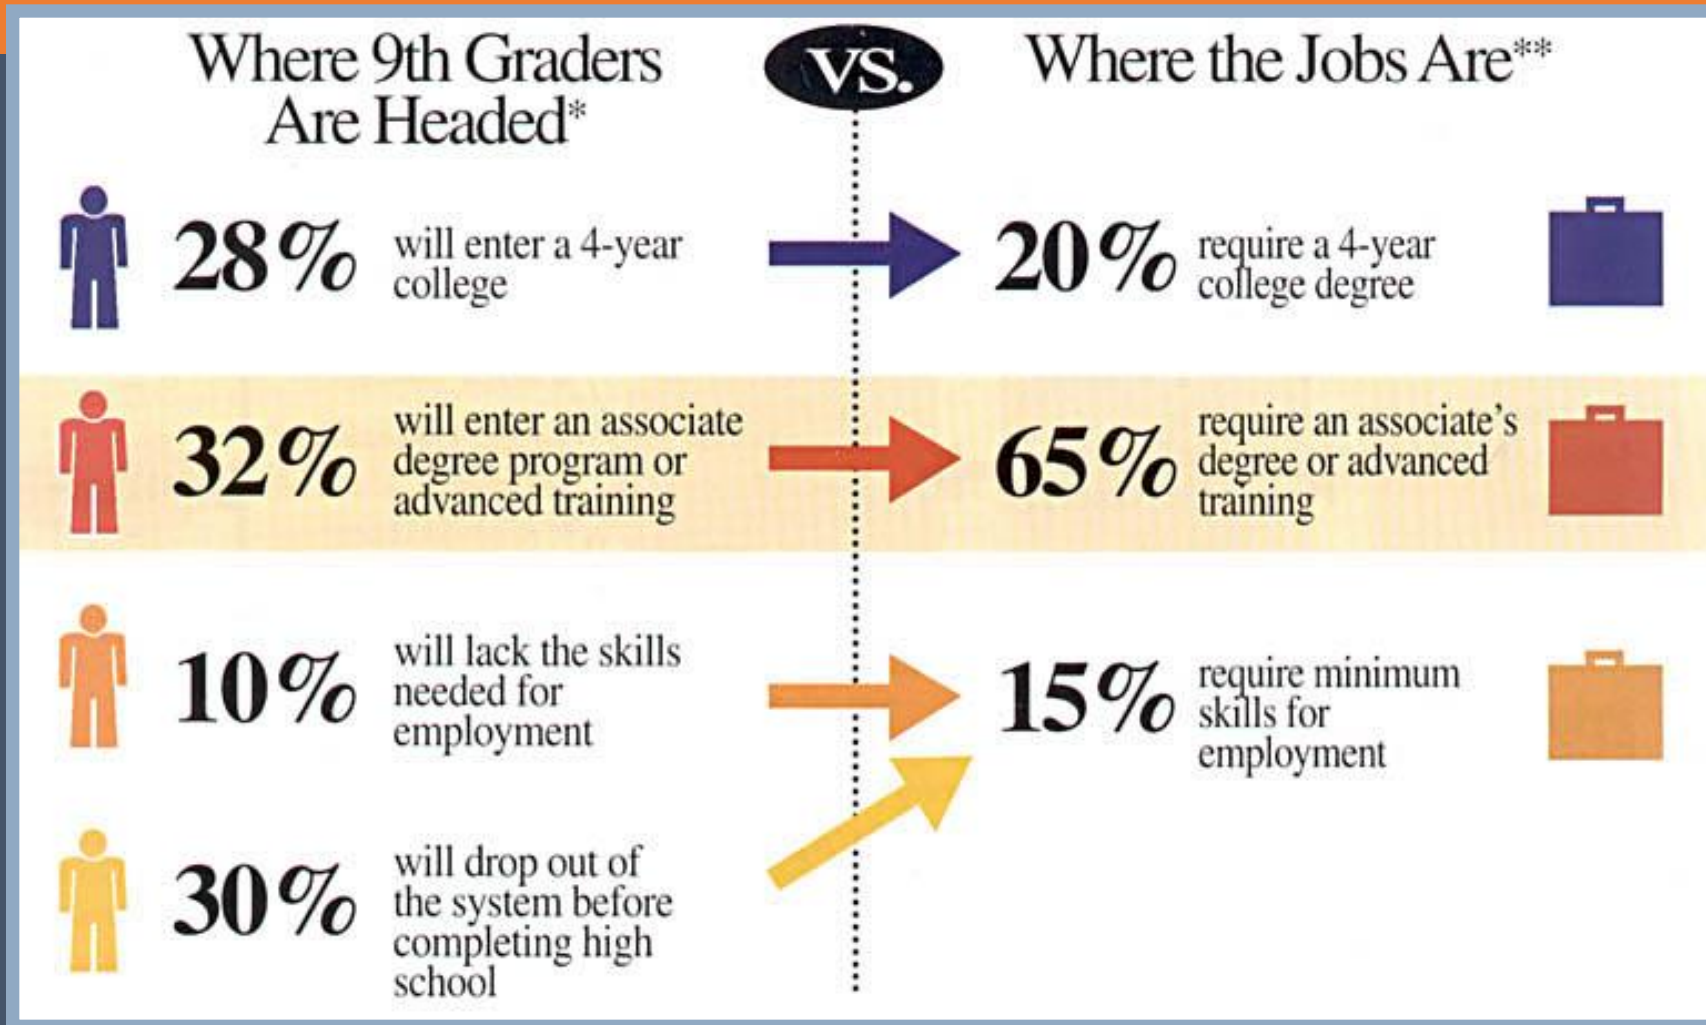

Career Pathways

# PERSONAL PATHWAYS TO SUCCESS

Preparing all South Carolina students to  
compete in the Global Economy

# CHALLENGES: THE WORKFORCE GAP

\*1998-1999 State Department of Education Special Survey

# THE REALITY:

85 PERCENT OF JOBS REQUIRE  
EDUCATION BEYOND HIGH SCHOOL

- Both 2-year and 4-year degrees can lead to high-earning careers
- Students need to explore and choose the paths best for them

# SOUTH CAROLINA'S 16 CAREER CLUSTERS

- Arts, A/V Technology, and Communications
- Agriculture, Food, and Natural Resources
- Architecture and Construction
- Business, Management, and Administration
- Education and Training

- Science, Technology, Engineering, and Mathematics
- Transportation, Distribution, and Logistics

# HOW PERSONAL PATHWAYS WORK

## Steps to Success

**Employment: Career Advancement**  
Continuing Education and Lifelong Learning

**Postsecondary: Career Preparation**  
Achieving credentials: college, certification,  
apprenticeship, military

**9-12: Career Preparation**  
Academics and technical courses, intensive guidance,  
individual graduation plans

**Grade 8: Transition**  
Choosing a career cluster and major (can change easily at any time  
later)

**6-8: Career Exploration**  
Discovering interest areas

**K-5: Career Awareness**  
Introduction to the world of careers

# PERSONAL PATHWAYS TO SUCCESS

## Personal Pathways mean:

- New motivation for student achievement
- Increased parental involvement in shaping our children's futures
- Increased academic rigor and relevance in our high schools
- Increased efficiency in higher education as students sharpen their focus on their goals
- A more competitive SC economy
- A new framework for student success
