

Application for Berkeley County Middle College 2019-2020 School Year

Application Deadline:

Completed applications should be postmarked or delivered in person to the Berkeley County Middle College no later than 4:00 PM on the 28th day of February.

Accepting approximately 55 rising juniors (Class of 2021)

In keeping with the mission of Berkeley County School District, our magnet high school gives 11th and 12th grade students an opportunity to achieve high school and college academic success in a non-traditional learning environment. Working in collaboration with Trident Technical College (TTC), the Middle College encourages and eases transitions into a college environment.

Berkeley Middle College accepts students who reside in Berkeley County or whose parents are employees of BCSD. Students accepted into the Middle College must provide their own transportation to the Berkeley Campus of Trident Technical College, located at 1001 South Live Oak Drive (Hwy 17A) in Moncks Corner. Students in good academic standing may participate in athletic activities at their zoned high school. Berkeley Middle College has an annual fee of \$125.00 per student. This fee is applied toward textbook and technology usage. Students with a free/reduced lunch status may apply for a fee waiver or reduced fee. If there are more qualified applicants than available space, the student body will be chosen through a lottery system and a wait list established.

Applicants are recommended to have successfully completed or be in the process of completing ten (10) Carnegie units toward graduation including:

- Algebra I
- Geometry or Algebra II
- English I and II
- Two sciences, one of which is Biology
- One Social Studies course
- Physical Education
- High School Computer Science Requirement
- One Foreign Language course recommended for students who plan to apply to a four-year college

APPLICATION PROCESS:

- If AccuPlacer testing is not available in an applicant's high school, he or she must visit a Trident Technical College campus to take the AccuPlacer college placement test in reading, writing, and math. The results must be attached to the application when submitted. Students should score a minimum of 237 in Arithmetic, minimum of 237 in Reading Comprehension, and minimum of 237 in Sentence Skills to qualify for admission.
- Do not call the Middle College office about AccuPlacer. All testing is coordinated through TTC at the numbers provided on the last page of this document.

- When the application is submitted, academic records, discipline records, attendance records, and AccuPlacer scores will be reviewed. Qualified candidates will be contacted by telephone to schedule an interview. A parent/guardian should attend the interview with the student.
- We will NOT accept faxed applications. Incomplete applications will not be processed.

AccuPlacer Placement Test Information

Developed by the College Board, the main purpose of AccuPlacer is to identify academic strengths and needs in the areas of writing, reading, and math. AccuPlacer is user-friendly. You will use a computer mouse to select your responses as you move through the different sections of the test. The test is not timed.

Scheduling an Appointment

You should contact Testing Services IMMEDIATELY to schedule an appointment to test.

Main Campus (some evening and weekend appointments available) — 843-574-6410- Building 410, Room 202
Berkeley Campus — 843-899-8079 — Student Success Center

A valid picture ID (e.g., School ID, Driver's License, Passport, Military) and your Social Security Number are required when testing. Testing Services will provide scratch paper, a pencil and a hand-held calculator for testing.

The test is not timed. Students usually take about 90 minutes to complete the entire test. You will receive a copy of your AccuPlacer scores immediately after testing. **REMEMBER that a copy of the scores must be sent in with your Middle College application.**

IT IS IMPORTANT TO TAKE THE ACCUPLACER TEST SERIOUSLY! Your test results will help determine whether you are ready for the rigor of Middle College work.
