

Prepping Parents

A counselor guide for
talking to parents and
guardians of juniors and
seniors about college

Helping families get ready for college, one month at a time.

College planning can be stressful and overwhelming for families. To help, we've created a calendar with suggested topics and activities for parents and guardians to focus on each month. Use the resources and shareable messages on your school website, social media, and newsletters to help keep them informed and focused on their student's path to college.
