

## **SSM SUMMER READING 2018-2019**

All students will receive two popular books for their personal libraries.

These two selections will be their two required summer reading books.

Students may take tests and check out additional books during summer library hours at SSM.

*(see below for dates and times)*

## **REQUIREMENTS FOR GRADES 6-8**

Students **must take *Reading Counts* quizzes** on each of their two books.

These *Reading Counts* quizzes will be averaged together for a first nine weeks grade in ELA classes.

The earned points will also be counted toward first nine weeks *Reading Counts* requirements.

Prize drawings will be held in September for students that meet the reading requirements.
