RE: Bus Registration Form for the School Year 2018-2019

1. Please complete the school bus registration form if you plan on having your student ride the school bus to, from, or to and from school next year. Complete this form and return it to the school your student will be attending for the SY 18-19. Schools will forward to the Area Transportation Offices.
2. Please insure your residential address is clearly visible at the roadside. This helps ensure the safest way for us to identify your address.
3. We encourage all parents to review the Berkeley County School Bus Conduct Policy with their student and help instill the importance of safe and appropriate bus behavior. If you should have any questions, please contact your school.
