Dear Business Partners,

Our school would like to introduce the Hanahan Hawks Business Partners Program. The goal of the program is to reach out to our Lowcountry businesses to help support our students. We are asking for donations of funds to assist our faculty, staff, and students in their continued quest for excellence. Your contribution will allow us to continue to provide our students enhanced academic opportunities. In return, Hanahan High School can promote your business in various ways. To become a business partner for the 2018-2019 school year, please complete the information below. Feel free to contact us if you have any questions about your donation or the program at Hanahan High School. As always, thank you for your commitment to our school and the children in the Berkeley County School District.
