

## **Permission for School Administration of**

### **Prescription Medication**

Prescription medications are medicines that require a written prescription from a health care practitioner. In order for a child to be given a prescription medicine at school, the child's health care practitioner and the child's parent or guardian should sign a permission form.

A permission form for prescription medicines is provided on the next page. Because the instructions for some medications require more space than is provided on the form, some health care practitioners may prefer to use a practice specific form.

Schools may have special rules for prescription medicines and may require parents or guardians to sign additional forms.

A responsible adult should deliver the medicine and the permission form to the school. The medicine must be in the original container with the label on it.

**Permission for School Administration of  
Prescription Medication  
Berkeley County School District**

School Year: \_\_\_\_\_

For school use only:  
 Routine  
 PRN (As needed)  
 Start Date: \_\_\_\_\_

When possible, medications should be administered by the parent/guardian before or after school hours. The first dose of any medication that your child has not taken before will not be given during school hours. Prior to your child receiving any prescribed medications during the school day, this form must be completed with prescribing physician's signature and the signature of the parent/ guardian for each medication. In order for the school nurse to comply with the medication order, the medication must be in a container that appropriately identifies the medication and the child.

**By signing this form, the parent/guardian and health care practitioner acknowledge that information from this form may be included in the student's individual Health Care Plan, if applicable.**

\_\_\_\_\_  
 Child's Name Date of Birth
