PARENT UNIVERSITY

Resources for the teacher in every parent

About:

- Variety of topics
- Sessions are free
- All parents & guardians of Berkeley County School District students welcome
- Locations and times vary to suit busy schedules
- New topics added each semester

Why Parent University

The purpose of Parent University is to ensure that parents have information and resources to help their children succeed in and out of school. Berkeley County School District supports the teacher in every parent and seeks to offer workshops, seminars, and events that connect parents and guardians with schools in a positive, meaningful way.

Upcoming Sessions: Assess for Success

State and Federal mandates require certain annual assessments for all students. Join us to learn about these assessments, including:

- ⇒ **What annual assessments your child will take**
- ⇒ **Why these assessments are given**
- ⇒ **How to interpret your child's test results**
- ⇒ **How test results are used to enhance student learning opportunities**
- ⇒ **2016 assessment schedule for Berkeley County schools**
